

Email 1: Extension Request to Professor

Subject: Extension Request: CHEMISTRY LAB1 – Aditya Rawat – 25BAI10387

Dear Professor,

I hope you are having a productive week.

I am writing to respectfully request a brief extension for the **[Chemistry lab1]**, which is currently due on **[25/03/26]**. Due to unexpected circumstances, I have fallen behind my planned schedule and want to ensure I submit work that meets the academic standards of your course.

If possible, I would like to request an extension until **[28/03/26]**. This extra time will allow me to properly finalize my research and ensure the technical accuracy of my submission.

I have attached my current progress for your reference. Thank you for your time and for considering this request.

Best regards,

Aditya Rawat First-Year CSE AIML Student VIT Bhopal University Reg No: 25BAI10387

Email 2: Summer Internship Inquiry

Subject: Internship Inquiry: Summer 2026 – Aditya Rawat – CSE AIML

Dear [Blackrock Inc.],

I am writing to express my strong interest in a summer internship opportunity with **[Blackrock Inc.]**. As a First-Year CSE AIML student at VIT Bhopal University, I have been following your company's recent developments and am eager to contribute to your technical team.

I have built a foundational understanding of cloud infrastructure and have also developed technical proficiency in video editing and production using DaVinci Resolve. I am confident that my mix of technical curiosity and creative software skills would allow me to be a versatile asset to your team this summer.

My resume is attached for your review, detailing my academic background and current projects. I would welcome the opportunity to discuss how my skills align with any upcoming roles in your internship program.

Thank you for your time and consideration. I look forward to the possibility of connecting with you.

Sincerely,

Aditya Rawat
